ABOUT PUPPAPALOOZA AT THE PIER

The Pennsylvania SPCA's 2nd Annual Puppapalooza at the Pier will be held at Morgan's Pier the evening of Thursday, August 30, 2018.

For over 150 years, the Pennsylvania SPCA has been a leader in protecting the most vulnerable and at-risk animals throughout the Commonwealth of Pennsylvania. With all of the PSPCA's financial support coming from individuals, proceeds from events like Puppapalooza at the Pier have become essential to sustaining the lifesaving work of the organization.

This year's Puppapalooza at the Pier will be hosted by Philadelphia Phillies's infielder, J.P. Crawford.

The purpose of Puppapalooza at the Pier is to raise funds and awareness for the PSPCA's overall mission, showcase some of our adoptable animals, and bring together friends and supporters of the PSPCA to revel in the city's love of animals, baseball and its most-treasured home team.

The event will feature Philadelphia Phillies celebrity bartenders, an appearance by the Phillie Phanatic, and the beloved Ballgirls. The evening will also include a VIP Cocktail reception, beverages and ballpark fare, raffles and a silent auction, and yard games with the Phillies.

We expect around 350 guests to attend this year's Puppapalooza at the Pier.
